cognita develops the issue and media monitoring software blueReport which collects relevant information from all types of media: online news sites, social media, newspapers, radio and TV. The state-of-the-art SaaS platform is continually improved by our development team. Our customers include leading corporations, organizations and media and communication agencies across Europe.

To extend our development team in Berlin immediately we are looking for a full time

Frontend Developer (m/f)

What you will do

‣ You collaborate with the team to bring new product ideas from brainstorming to deployment
‣ You shape the look & feel of our products and improve them continuously with the latest technology
‣ You are part of an agile development team in Berlin where your contribution makes a difference and can have a big impact

What you bring to the team

‣ You have extensive experience with HTML, CSS, Javascript (React, TypeScript) and data visualization
‣ You work well in a team and you are also able to finish projects on your own
‣ You want to work on great products and continually improve them
‣ You are fluent in English and German and with your great communication skills you can guide our frontend development in the right direction
‣ You have experience with UX and Design
‣ With your hands-on mentality you find the balance between pragmatism and perfectionism
‣ Your are familiar with agile development (Scrum)
‣ You are open towards learning new languages and technologies

Who we are

‣ We are a straightforward and talented development team in a fast-growing company
‣ We continually learn from each other due to varied backgrounds and interests
‣ We mainly use Ruby and TypeScript, but also run JRuby and JavaScript in production
‣ Great office in Berlin Mitte, well connected to public transportation
‣ Flexible working hours, no micromanagement, flat hierarchy and of course drinks, fruit & vegetables

Interested? Just send us your application. Questions? Don't hesitate to ask.
We are looking forward to hearing from you soon: careers@cognita.ch
